

Maralee Webber, RCT, LCRT

Maralee Webber is a Licensed Canadian Reflexology Teacher (LCRT) based in Peachland, British Columbia. She is an international speaker & presenter.

Maralee completed her training in 2015 and started her own business Irie Wellness - which means 'to be at total peace with your current state of being', infusing her love of Jamaica into her work. Maralee is a lifelong learner and is constantly upgrading her skills.

Maralee's passion is educating people on the benefits of Reflexology. Being a mom to a special needs child, she saw a need for a shortened, adaptable reflexology treatment, so she went on to create her own unique protocol called the **STAR Method** for autism and special needs.

On a personal level, Maralee enjoys spending time with her family and friends camping, boating, and hiking in the beautiful Okanagan Valley.
